

CAMILLE PRECIOUS LALAGUNA

SUMMARY

Motivated Information Technology graduate with a strong foundation in full-stack web development, system administration, and game development. Proven ability to troubleshoot hardware and network issues, develop automated solutions, and build robust applications. Seeking to leverage technical skills and hands-on internship experience in a full-time IT role to support organizational goals and drive technological improvements.

EXPERIENCE

IT TECHNICAL SUPPORT INTERN 01/2026 to 05/2026

Ushio Philippines Inc., Dasmariñas City, Cavite

- Executed hardware diagnostics, formatted PCs, and addressed network issues to support operational efficiency for company workstations.
- Assisted in system administration tasks, including IP address setup and CCTV monitoring.
- Created custom Excel VBA macros and forms with date pickers to streamline data entry processes.
- Resolved printer and scanner malfunctions, ensuring minimal office downtime.
- Coordinated media consolidation and video editing for company's 30th anniversary and presidential farewell tribute.
- Participated as an auditor in plant's year-end inventory audit, confirming items and descriptions.

INTERN 11/2022 to 03/2023

Barangay San Agustin II, Dasmariñas, Province Of Cavite

- Supported staff members in their daily tasks, reducing workload burden and allowing for increased focus on higher-priority assignments.
- Gained valuable experience working within a specific industry, applying learned concepts directly into relevant work situations.
- Analyzed problems and worked with teams to develop solutions.
- Contributed to a positive team environment by collaborating with fellow interns on group projects and presentations.
